

***Burbank Tournament of Roses Association***  
**2018 ROSE FLOAT DESIGN CONTEST ENTRY RELEASE FORM**

It's not too early to be creating a design for the City of Burbank's Rose Parade float entry into the annual Pasadena Tournament of Roses Parade. Anyone can submit an entry - membership in the Association is not required.

Design ideas with a simple sketch **must be received** by the Association by **8:00 p.m. on Wednesday, January 25, 2017.**

The Board of Directors of the Association will select at least four designs to present to the general membership, who will then make the final choice. The judging will be done on a "blind" basis - the identity of the designer(s) will not be known until after the final vote. **The winning designer(s), as accepted by Pasadena Tournament of Roses Association, will receive two tickets to the Rose Parade.** If there is more than one designer, the prize will be shared between them.

**RULES AND TIPS:**

- 1) The sketch of the design must be in black and white and on paper no larger than 11" by 17" in dimensions. **No color sketches or oversize paper will be accepted.**
- 2) Keep in mind the logistics of converting the design into a float. While only a very simple sketch is required, more detail can help the decision process. A written explanation of the ideas and representations of the design could be helpful and can be included.
- 3) **Place this completed and signed entry form in a sealed envelope on the back of the sketch (not the front) to identify the designer/artist(s).**
- 4) The selected designer(s) may be asked for consultation on the Design, Construction and Decoration Committees.
- 5) By submitting this entry form, the designer(s) grants to the Burbank Tournament of Roses Association the exclusive right to use and modify the design and the ideas represented by the sketch of the design submitted with this entry form, as well as any explanation provided. Designer(s) warrants and represents that the entry is original, not from a copyrighted work and not created by any other party. Designer(s) warrants and represents that he/she has not submitted the same or any similar sketch of the design to any other agency participating in the next Pasadena Tournament of Roses Parade. Designer(s) understands that he/she will receive no compensation, monetary or otherwise, for the use of the design and that the Burbank Tournament of Roses Association, any legal successor, the City of Burbank and the Pasadena Tournament of Roses Association have no obligation of any kind towards designer(s). **By signing this entry form I/we agree to these terms.**
- 6) If the designer's idea is not selected by the Burbank Tournament of Roses Association, upon request, and designer(s) expense, of the designer(s), the Burbank Tournament of Roses Association will return the sketch of the design provided by the designer(s) in support of this entry form, and the designer(s) shall thereafter be free to submit the idea to other agencies.

# **2018 Theme Statement**

## **“Making A Difference”**

**The 2018 theme celebrates the power of kindness and the people in our communities that are quietly, selflessly, making a positive difference in our lives.**

**By acting without reservation or expectation to help others, we not only enrich lives we also inspire those around us to do the same.**

**As members of a community, a country and a planet, we all have the ability, power and responsibility, individually and together to help one another.**

**Even the smallest act of kindness can extend far beyond the initial act. Change starts with a single act, by contributing kindness to others within our communities, we are investing in Making A Difference.**
