

FROM THE  Heart

Join Silpada in supporting **WomenHeart**
AND THE FIGHT AGAINST HEART DISEASE. 

- February is **Heart Awareness Month**, and the perfect time to remind your Silpada Sisters about their risk of heart disease, the leading cause of death in women. That's why Silpada is proud to partner with **WomenHeart: The National Coalition for Women with Heart Disease**, and its life-saving work to empower women to take charge of their heart health.
- To support the fight against heart disease, Silpada is joining forces with WomenHeart for a red-hot promotion! The January and July Birthstone Rings, two **NEW** pieces from the **2014 Spring/Summer Catalog**, are being released before the rest of the collection becomes available!
- You and your Customers can nab these Birthstone Rings—adorned with genuine Garnet and Ruby gemstones—for \$26 each. For each Ring sold between **Jan. 20 and Feb. 28, 2014**, \$5 will be donated to WomenHeart.
- This is the perfect time of year to throw *hearty* Silpada Parties. Support a wonderful cause and spend time with the ladies you love!
